

Energy Community PHLG Meeting

Way forward on electricity trading in South East Europe

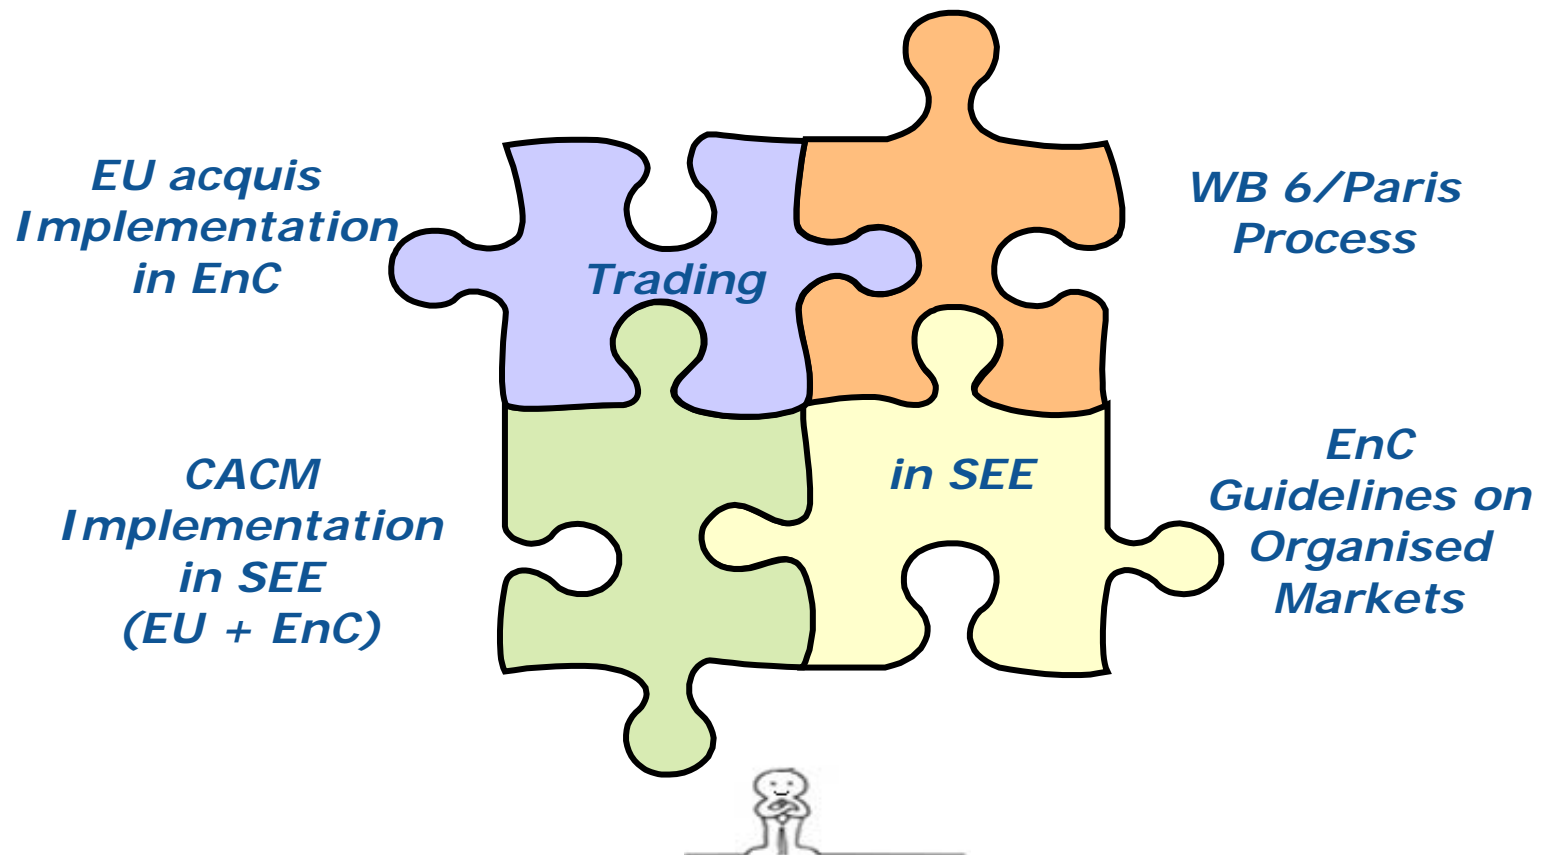

Vienna, 15 March 2016

Directorate General for Energy

Problem: Different Workstreams => Complexity

Solution: Integrate Workstreams => SEE Roadmap

Concept: Iteration of technical & political meetings (CESEC Model)

- **Definition of limited key targets**
- **Meetings at technical level**
 - EnC ↔ EnC
 - EnC and EU neighbours
- **Goal: Identification of key problems**
- **Political discussion - selected issues**
- **Meetings at political level**
 - Bilateral: EnC /COM ↔ CP/MS
 - Multilateral: EU/EnC / CP/MS
- **Goal: Solutions for key problems**

SEE Electricity Trading Roadmap: *Implementation*

- *Agreement on Roadmap process (EnC & EU)*
- *Agreement on selected key targets*
- *Meetings at technical level*
- *Meetings at political level*
- *Start of CACM early implementation process*
- *Prepare legal CACM implementation*
