RE: Memorandum of Understanding on Regional Electricity Market Development and establishing a Framework for other future Collaboration in South East Europe – Gestore dei Mercati Energetici S.p.A.'s Addendum.

Dear Mr. Kopac,

In relation to the captioned matter, please find attached hereto the "Addendum to the Memorandum of Understanding on Regional Electricity Market Development and establishing a Framework for other future Collaboration in South East Europe" duly filled-in and signed by Gestore dei Mercati Energetici S.p.A.

Kind regards,

Prof. Pietro Maria Putti
Chairman and CEO

Addendum to:

MEMORANDUM OF UNDERSTANDING¹

**ON REGIONAL ELECTRICITY MARKET DEVELOPMENT AND ESTABLISHING A
FRAMEWORK FOR OTHER FUTURE COLLABORATION**

IN SOUTH EAST EUROPE

Expressing the understanding that day-ahead market integration and cross-border balancing cooperation in South East Europe has to involve both Energy Community and EU member countries of the region referred to in Article 27 of the Energy Community Treaty,

Agreeing on the need for close cooperation of Energy Community and EU stakeholders on the implementation of day-ahead market coupling, final coupling into Multi-Regional Coupling and cross-border balancing,

Having regard to item 19 of the Memorandum of Understanding (MoU) that explicitly targets the involvement of National Regulatory Authorities, Transmission System Operators and Power Exchanges of EU Member States neighbouring the Energy Community Western Balkans countries in the market integration projects following from the MoU as well in the Steering Committees established there,

Having regard to point 20 of the main text MoU, which states that the same "*does not create any rights or obligations under international law*", and consequently recognizing that also the signature of this Addendum does not create, in any way whatsoever, any rights and/or obligations upon Gestore dei Mercati Energetici S.p.A. in relation to the MoU, its annexes and any of their contents,

By signature of the present addendum, Gestore dei Mercati Energetici S.p.A. expresses the willingness to participate as supporting party in the above referred to market integration projects in South East Europe and related Steering Committees, namely the following, remaining understood that the signature of this Addendum does not create, in any way whatsoever, any rights and/or obligations upon Gestore dei Mercati Energetici S.p.A. in relation to the MoU, its annexes and any of their contents:

X Projects referred to in Annex 1 of the MoU (day-ahead market integration)
