

ENTSOG general organisation

- an overview

Hendrik Pollex, System Operations, Business Area Manager

ENTSO-G MEMBERS

ENTSO-G was created on 1 Dec 2009 and is now comprised of:

45 TSO Members and 2 Associated Partners from 26 European countries

4 Observers from EU affiliate countries:

- GA-MA AD (FYROM)
- Gassco AS (Norway)
- Swissgas AS (Switzerland)
- Ukrtransgaz (Ukraine)

ENTSOG Members

3 kinds of memberships possible :

- > The full **Members** = EU certified TSOs
 - Represented in the ENTSOG GA (and eligible to the ENTSOG Board)
 - Participation open in the Working Groups (“WGs”)

- > The **Associated Partners** = EU TSOs enjoying derogations & exemptions according to Gas Regulation or Directive 2009/73/EC
 - Represented in the ENTSOG GA without voting rights
 - Participation the Working Groups (“WGs”) if granted by the Board

- > The **Observers** = TSO in a state candidate for accession to the EU, party to the Energy Community or to the convention establishing the European Free Trade Association
 - Represented in the ENTSOG GA without voting rights

ENTSOG organisation

Brussels' staff and internal organisation

> ENTSOG set up working groups mainly (but not only) for drafting NCs on:

- Tariffs (“TAR WG”),
 - Capacity allocation (“CAP WG”),
 - Balancing (“BAL WG”),
 - **Transparency (“TRA WG”)**
 - Interoperability (“INT WG”)
 - Investment (“INV WG”)
- } within the Market Area
- } within the System Operation Area
- } within the System Development Area

Subgroups are possible as Kernel Groups and Task Forces as per the guidelines on the way of working in ENTSOG

Annual Work Plan 2017 - Transparency

Objective

- > To enhance the transparency of gas TSOs' activities in the European Union.

Key deliverables for 2017

- > To further enhance ENTSOG Transparency Platform with functionalities improving the usability and user-friendliness of the published data, as well as further support the TSOs in improving data consistency.
- > To support the TSOs in the process for implementation of REMIT requirements.
- > To support the ENTSOG strategy for any potential deliverables relating to the transparency area.
- > Follow and implement the transparency requirements coming from the Network Codes.

Key deliverables are a small subset of transparency activities
