

Vision for the development of the Gas working group 2019-2020

Elena Stratulat

Education: Legal and gas engineering;

- 8 year experience in Energy Regulation;
- 3 year work experience in ANRE's legal department;
- 5 year experience as head of natural gas division Regulation Department;
- Active participation at elaboration of secondary legislation and transposing the 3rd energy package;

Work within the ECRB

- Member of ECRB WGs since 2010 (CWG, EWG, GWG);
- Chairwoman of GWG since 2017.

ECRB GWG Activities 2017-2018

- Started TF on NC implementation;
- Restored TF activity on wholesale Market Monitoring;
- ACER MMR (with GWG input) was launched in the end of October 2018;
- Restored TF on transparency by introducing scoring on transparency compliance;
- MEDREG, GAS Forum; Regulatory school, workshops.

Vision on the priorities of GWG in 2019-2020

1. Information/experience exchange between CP;
 2. Within the GWG to continue producing respective reports showing current status-quos of EnC CPs, challenges, issue recommendations;
 3. Support GWG members in awareness rising through back to back workshops;
 4. Involving the experienced EU experts on key regulatory issues;
 5. As GWG head, delivering active coordination with ECS and ECRB on above mentioned issues and addressing other relevant needs of GWG members.
