

Energy Regulatory Agency – Montenegro

Regulatory Developments in the Montenegrin Energy Sector

41st ECRB meeting,
Athens, 5 December 2018

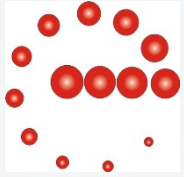

Energy Regulatory Agency – Montenegro

Implementation of Network Codes

- Two out of three regulations (2016/1388 and 2016/1447) that have been amended in accordance with the comments of the Secretariat for legislation, have been submitted again by the Ministry of Economy to the Secretariat for analysis.
- The third Regulation (2016/631) shall be prepared and submitted to the Secretariat for legislation in the following period.

Implementation of Regulation (EU) 347/2013

First draft of the document has been prepared. WG is going to finalized the act, organize the public hearing and submit it to Secretariat for Legislation

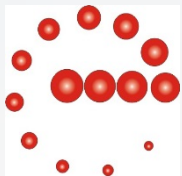

Energy Regulatory Agency – Montenegro

- The Montenegrin Electricity Market Operators (COTEE) has submitted the application for determining regulatory allowed revenue and fees for the period 01. January – 31 December 2019, in July 2018.

The Regulator issued the decision on November 29

- Law on Administration was adopted
According to the Draft Law, the Regulator was faced with the danger of being threatened with regard to its independence.
With strong support given by EcS the Regulator has been exempted from the law

Energy Regulatory Agency – Montenegro

Thank You

Jelena M. Aničić
