

Welcome to

Monthly Methane Mondays

- 1) Please keep your **microphone muted** and **camera turned off**
- 2) In case of **technical problems**, please use the chat function, the Secretariat will help 😊
- 3) Please **write your questions** using **the chat function** during the presentations, we will come back to them in the Q&A section
- 4) During the **Q&A session**, please use “**raise hand**” function (next to your name in the list of participants on the right hand side) or write your question using and wait until the Chair allows you to speak
- 5) When taking the floor, please **unmute microphone and turn on camera**

-  European Union
-  Contracting Parties
-  Observers

*Webinars' focus:
methane emissions by the gas industry*

- ❖ 1 March: **Quantification and reporting framework of methane emissions**
- ❖ 29 March: **Energy Community report on methane emissions**
- ❖ 26 April: **MARCOGAZ technical recommendations on methane emissions**
- ❖ 7 June: **MGP Best Practice Guidelines**
- ❖ 13 September: **MARCOGAZ / GIE Target setting recommendations**
- ❖ 11 October: **Methane emissions detection, measurement and quantification technologies**
- ❖ 8 November: **EU Strategy follow up/ EU legislative process**

❖ 11 October:

Methane emissions detection, measurement and quantification technologies

Overview of OGCI Methane Related Projects, Pietro Mezzano (OGCI)

Overview of IOGP Methane Related Projects, Concetto Fischetti (IOGP)

Technologies used in downstream to detect, measure and quantify methane emissions, Adam Przybyl (Gaz-System)

Detection, geo-location, quantification Gareth Boyd (John Crane/the Smiths Group)

Q & A
