

# NEW PROJECTS ON THE DONOR COORDINATION PLATFORM

- ☀ After a dynamic cooperation with our partners, and an efficient data collection, we are happy to announce you the upload of 70 new projects on our donor coordination platform.
- ☀ Alongside the update of numerous national and regional projects in our Contracting Parties, the platform will benefit from a new feature: the creation of a municipal coverage for the projects.
- ☀ The platform will benefit from this new coverage that adds an additional layer and will continue to feature multiple new regional and national projects.

The current, ongoing update includes:

- ☀ 51 new National projects;
- ☀ 3 new Regional projects;
- ☀ And 16 Municipal projects.
  
- ☀ Feedbacks and additional valuable data remain highly welcomed in our constant upgrade process.
