

## *25<sup>th</sup> Security of Supply Coordination Group - Gas Subgroup meeting*

*online meeting*

*2 February 2023*

1. The Group discussed the implementation of the filling trajectory with intermediary targets for February 2023 and praised their accomplishment. The Group was briefed on the progress in the certification process of the Ukrainian storage system operators. The Group invited all Contracting Parties to support the Secretariat in submitting the input for the Report on the implementation of the Storage Regulation.
2. The Group discussed the implementation of Regulation (EU) 2017/1938 and in particular development of risk assessment by the end of the year which needs to be shared with the Secretariat. The Contracting Parties are invited to take advantage of the Secretariat's assistance coupled with training from EC JRC to enable the development of the risk assessments and drafting of the preventative and emergency plans.
3. Next meetings are tentatively scheduled for April (with training and Workshop together with EC JRC), September (both in person) and June, November (virtual).
