

The background is a dark blue globe with glowing blue energy lines and nodes connecting various points across the continents, symbolizing a global energy network.

THE UKRAINE ENERGY SUPPORT FUND

20 January 2023

HOW TO GET INVOLVED

As manufacturer/supplier of items urgently needed for the repair and reconstruction of the Ukrainian energy system (or current user of the same items):

- ☀ Option 1: donation of such items
→ logistical support by Ukraine Support Task Force
- ☀ Option 2: regular commercial contract for the sale of such items
→ Procurement and financing through the Ukraine Energy Support Fund

HOW TO GET INVOLVED – OPTION 2

- ☀ Form for potential suppliers: <https://www.energy-community.org/regionalinitiatives/Ukraine/procurement.html>
- ☀ Needs are communicated by the Ukrainian energy companies to the Ministry of Energy of Ukraine
→ review and approval/rejection of support requests
- ☀ Items requested are procured by USAID Energy Security Project (Tetra Tech)
→ either open call or emergency procedure (shortlisted suppliers)
(<https://energysecurityua.org>)
- ☀ Commercial contract concluded between the Ukrainian energy company and the supplier
→ Energy Community Secretariat as fiduciary of the Ukraine Energy Support Fund either pays directly to the supplier or issues a (first demand) guarantee to the supplier

THANK YOU FOR YOUR ATTENTION
