

Remit in the Energy Community

Joint EU Commission & ENCS Workshop

22 May 2024, Vienna

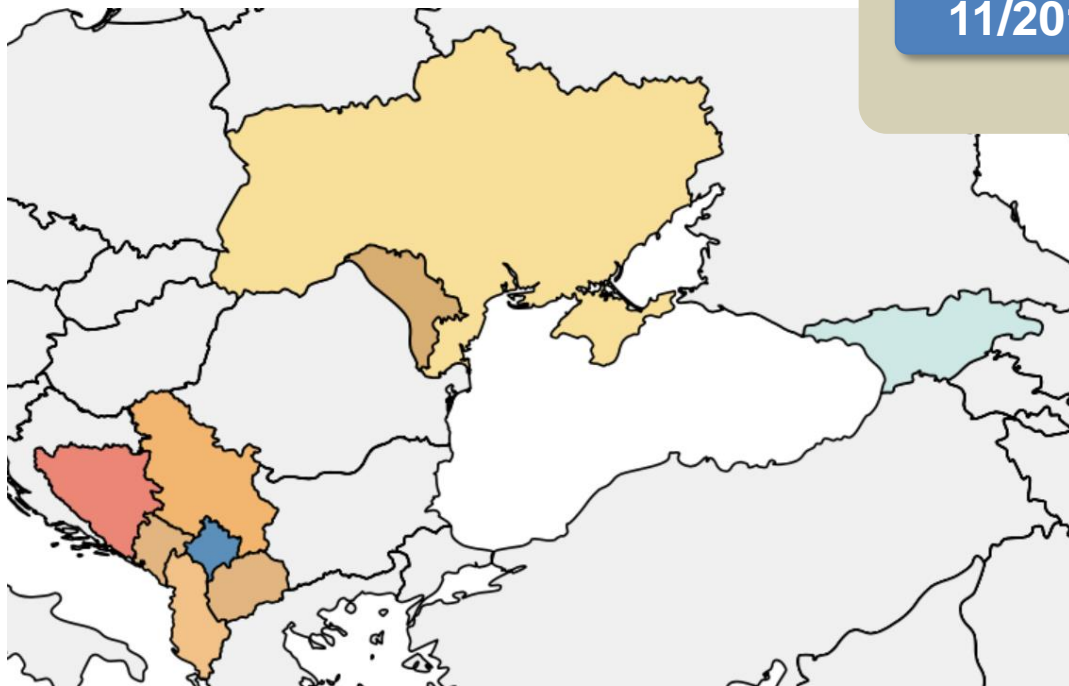

- *The Energy Community* brings together EU and its neighbours to create integrated pan European energy market since 2006
- *9 contracting parties (CPs):* Albania, Bosnia and Herzegovina, Kosovo*¹, North Macedonia, Georgia, Moldova, Montenegro, Serbia, and Ukraine
- *The Energy Community Secretariat*
 - Monitors and reports on level of Acquis implementation
 - Enforces the Acquis implementation
- *ECRB monitors, supports and coordinates on regulatory and market development aspects*

¹The Energy Community Secretariat clarifies that throughout this text the designation "Kosovo*" is without prejudice to positions on status, and is in line with UNSCR 1244 and the ICJ Advisory Opinion on the Kosovo declaration of independence.
