

## **WORK PROGRAMME FOR 2006 – 2007**

### **A. Tasks related to Institutions under the Energy Community Treaty**

### **B. Tasks related to Energy Policy Issues**

#### **EXPLANATORY NOTES:**

The task list is mainly derived from the Energy Community Treaty and the Grant contract between the European Commission and BMWA and does not cover operational tasks of the Secretariat (provisions of technical assistance to the Parties, Donors, Institutions under the Treaty etc) which have an overall and permanent validity.

The time frame information indicates day/month/year or month/year.
