

6th Regional Exchange of Modelling Experts involved in the Development of Integrated National Energy and Climate Plans (NECPs) in the South-Eastern European Contracting Parties of the Energy Community

BUILDING UP MODELLING CAPACITY FOR INTEGRATED ENERGY AND CLIMATE PLANNING

Tuesday, 21. Jan 2021, 09:30-10:30 am CET
Virtual exchange via MS Teams

Purpose of the exchange:

This exchange is part of a series of exchanges, which aim to facilitate a discussion of modelling approaches, data availability and quality, challenges, best practices, cross-sectoral and regional aspects that can inform the modelling work conducted in the course of NECP development.

AGENDA

Time	Item	Lead
