

Addendum to:

MEMORANDUM OF UNDERSTANDING¹

**ON REGIONAL ELECTRICITY MARKET DEVELOPMENT AND ESTABLISHING A
FRAMEWORK FOR OTHER FUTURE COLLABORATION**

IN SOUTH EAST EUROPE

Expressing the understanding that day-ahead market integration and cross-border balancing cooperation in South East Europe has to involve both Energy Community and EU member countries of the region referred to in Article 27 of the Energy Community Treaty,

Agreeing on the need for close cooperation of Energy Community and EU stakeholders on the implementation of day-ahead market coupling, final coupling into Multi-Regional Coupling and cross-border balancing,

Having regard to item 19 of the Memorandum of Understanding (MoU) that explicitly targets the involvement of national regulatory authorities, transmission system operator and Power Exchanges of EU Member States neighbouring the Energy Community Western Balkans countries in the market integration projects following from the MoU as well in the Steering Committees established there ,

By signature of the present addendum express the willingness to participate in the above referred to market integration projects in South East Europe and related Steering Committees, namely: Day Ahead market integration.
